

Hand forged from high quality Swedish steel.  
Hardened to maintain 57-58 Rockwell C.  
Non-painted to achieve a "rustic" look.  
Drilled handle for easy storage.  
Fitted with round steel wedge and wood wedge to secure head to handle.  
Handles are made of American Hickory.  
Supplied with heavy-duty vegetable tanned sheath.  
When sharpened can be used for skinning game and chopping bone.
